EMPLOYEES

TITLE: FREEDOM OF SPEECH IN  
NONSCHOOL SETTINGS

ADOPTED: March 10, 1997

REVISED:

	<p style="text-align: center;">320. FREEDOM OF SPEECH IN NONSCHOOL SETTINGS</p> <p>1. Purpose The Board acknowledges the right of its employees as citizens in a democratic society to speak out on issues of public concern. When those issues are related to the school system and its programs, however, the employee's freedom of expression must be balanced against the interests of this district.</p> <p>2. Guidelines The following guidelines are adopted by the Board to help clarify and therefore avoid situations in which an administrator's expression could conflict with the district's interests. In situations in which an administrator is not engaged in the performance of professional duties, s/he should:</p> <ul style="list-style-type: none"><li>recognize that as an administrator his/her comments will be commonly viewed as representative of the district;</li><li>state clearly that his/her expression represents personal views and not necessarily those of the school district;</li><li>refrain from expressions that would interfere with the maintenance of student discipline; and</li><li>refrain from making public expressions which s/he knows to be false or made without regard for truth or accuracy.</li></ul> <p>Violations of these guidelines may result in disciplinary action up to and including dismissal.</p>
