February 12, 2018

To the Parent/Guardian of LCTI students:

Please be advised that on February 16, 2018 LCTI will not be in session. As in the past, we are offering the following options to our LCTI Students:

1. CAP students do not need to report to Northern Lehigh.
2. AM LCTI students do not need to report to Northern Lehigh until the start of Block 4. They must report to the Main Office with a parent note stating that the student has permission to come to school late. They must be signed in by the ringing of the bell at 12:44 p.m. or they will be considered late. Please note bus transportation will not be provided for the 12:40 p.m. sign-in time.
3. PM LCTI students may be dismissed at 10:38 a.m. with written permission from a parent stating that the student may leave after Block 2. Please note bus transportation will not be provided for the 10:28 a.m. dismissal time.

All students, either leaving early or arriving late, must have written parent permission - no exceptions. Phone calls will not be made if your student fails to bring in a written note. If your LCTI student rides the bus and alternative transportation cannot be provided the student will follow his or her regular schedule and report to the study hall during the time they would be at LCTI.

If the decision is changed and LCTI will be in session on February 16 students will be notified and are expected to report to school at the regular time. Thank you for your attention to this matter.

Sincerely,

Robert L. Vlasaty
Principal Northern Lehigh High School
