2013-2014 GRADUATION  
PROJECT  
HANDBOOK

HARD WORK, PERSEVERANCE AND PRIDE SINCE 1885

## **HIGH SCHOOL GRADUATION REQUIREMENT**

“In order to graduate from Northern Lehigh Senior High School, a student shall complete a project that gives back to the community or demonstrates knowledge of a trade learned at Lehigh Career and Technical Institute. Students must then develop an oral presentation that shows coherent information of time spent and lessons learned. Projects may be undertaken by individual students or small groups of students.” Students must be in the same graduating class.

### **Title 22, Education, State Board of Education, Chapter 5, Curriculum, July 24, 1993.**

The Northern Lehigh School District does not discriminate on the basis of race, color, religion, sex, national origin, age, marital status, or the presence of non-job related medical conditions or handicaps in the educational programs and activities it operates, and in its admission policies.

### **COMPLETED PROJECT DUE DATES**

Although sufficient time is given to complete your project, we suggest you begin in your Freshman year to develop your Proposal. Very often the most difficult task is determining a project topic or goal. **Remember – FAILURE TO COMPLETE A GRADUATION PROJECT WILL JEOPARDIZE A STUDENTS ABILITY TO GRADUATE WITH HIS/HER CLASS.**

#### **Graduation Project Deadlines**

	<b>Assignment</b>	<b>Due By</b>
<b>Sophomore Year</b>	Project Proposal submitted to Homeroom Teacher and approved by Graduation Project Advisor	<b>End of Sophomore Year</b>
<b>Junior Year</b>	Time Log Submitted to Homeroom Teacher and Approved by Graduation Project Advisor	<b>AT LEAST ONE WEEK BEFORE JUNIOR PROM</b>
<b>Senior Year</b>	Reflective Report submitted to Homeroom Teacher	By the end of September in your Senior year.
	Completed (passed) Graduation Project including oral presentation	<b>By end of Semester 1 of Senior Year</b>

Failure to meet any deadline will result in the loss of privileges until the assignment has been turned in. Privileges include parking permits, early dismissal and late arrival permits, Junior Prom, Homecoming Dances, Senior Farewell, and Senior Class Trip, powder puff games, pep rally's, etc.

Notes: Students who transfer to Northern Lehigh High School from another District will work closely with their Advisor to determine the appropriate course of action with regards to their Graduation Project requirement. Special Education students should work with their Special Education Teachers.

### **PARENTS WILL BE NOTIFIED OF ANY DEFICIENCIES**

## WHAT ARE MY OPTIONS ?

The Student has the ability to choose from *TWO OPTIONS* in completing the Graduation Project requirement.

### **Option 1:                      Community Service**

Students may elect to do **TWENTY HOURS** of documented community service and submit a reflective report about their community service experience. **Community Service is defined as time spent after school hours working for a non-profit organization. Students may not be paid for their Community Service hours. *The Project Proposal/Application must be pre-approved by the Graduation Project Advisors before accumulating community service hours. Any documented community service hours prior to approval will not count towards the twenty required hours.*** Student may acquire hours from one (1) organization but not more than four (4) organizations.

### **Option 2:    Lehigh Career and Technology Institute Project**

Students who attend and complete their educational requirements at the Lehigh Career and Technical Institute have **two** mandatory components of the Graduation Project.

COMPONENT 1: visit **www.careercruising.com** and perform the following tasks:

- 1- Produce a Cover Letter (Sample: Appendix "F")
- 2- Complete an Interest Inventory Survey (matchmaker)(print out results)
- 3- Complete a Career Search including (print out results):
  - a. Job description
  - b. Working Conditions
  - c. Earnings
  - d. Education needs
  - e. Career Pathway
  - f. Related Jobs
  - g. Other Resources
- 4- Complete a Resume ( visit portfolio) (print out results)

\*\*\* Student who have questions about the career cruiser web site should contact their guidance counselor for directions and advice.

COMPONENT 2: Submit a reflective report about their experiences at the Career and Technical Institute.

## GRADUATION PROJECT COMPONENTS

The following is a list and explanation of the items needed to successfully complete your project. All components must be completed in the following order:

- 1.) Proposal and Application approved by the Graduation Project Advisor
- 2.) Time Log signed by your Homeroom Teacher and initialed by the adult verifying Hours).
- 3.) Reflective Report signed by Homeroom Teacher
- 4.) Oral Presentation and Final Assessment

- Attend assigned times
- Community Service project must utilize technology (PowerPoint, etc.)
- Follow all requirements outlined in the oral presentation rubric

## 1.) PROPOSAL AND APPLICATION

Submit a **\*typed\*** that will serve as your project **application**. In general, your application will state the following:

- What the project is about
- What you hope to learn
- What resources you will use\How you intend to undertake your project

Your proposal should be of sufficient length to appropriately describe your project in detail. If you are doing Community Service, your Proposal should include the name and phone number of the Adult verifying your hours. **Parents cannot verify their student's hours for Community Service.** Share your **proposal/application** with your parents for their advice and subsequently with your Homeroom Teacher for review and authorization.

\*\*\*If your proposal/application is not clear and easy to read, it will be returned without approval.

## 2.) TIME LOG

The time log is be utilized to track the required hours needed to complete the Graduation Project. All dates and hours need to be verified by the **approved adult**. Additionally, all phone numbers are to be listed for the approved adult should there be a reason to contact them. Failure to complete the necessary hours and have appropriate signatures will impact your High School Graduation. See Appendix "D" for the time log to be used.

## 3.) REFLECTIVE REPORT

The reflective report is the final part of the Graduation Project. Note: **Each student working together in a group must submit their own Reflective Report.** This report must possess the following characteristics:

- Illustrate correct spelling, grammar, punctuation, and all other elements of good writing.
- Follow a double-spaced, one-inch margin format.
- Consist of a minimum of **FIVE** paragraphs to include an introduction and conclusion of one paragraph each and at least a three-paragraph report body.
- Visual material is needed to support student involvement in the project (e.g. PowerPoint, photo album, etc.).

## INTRODUCTORY PARAGRAPH

This provides a general description of the student's experience(s), why it was chosen, and what the student hoped to gain out of the experience. It explains any new insights discovered as a learner and worker and could include any strengths or weaknesses the student discovered about himself/herself.

## **BODY PARAGRAPHS**

Describe the process the student used to achieve the project's goal(s) and how obstacles or problems were overcome. It also discusses how the goals were met and what was gained from the experience, including what was gained from the interaction between the student and the people with whom the student worked.

## **CONCLUDING PARAGRAPH**

Summarizes the learning the student will take from this experience including new interests, skills, social interactions, and experiences. Describe anything that the student would have done differently and why. Include the student's overall impression of this experience.

## **4.) ORAL PRESENTATION AND FINAL ASSESSMENT**

There are two components or parts to the oral presentation of your graduation project. The first is your completed portfolio of all completed forms and reflective report. The second is the formal part conducted by our staff. The formal assessment or evaluation of your project will ultimately determine whether it is deemed acceptable as one of your graduation requirements. As such, your **final project** will receive careful scrutiny by the evaluation team. To view the rubric used to evaluate the presentations and projects see next page.

\*\*\*Please note: All oral presentations need to be **7-15 minutes in length** and **will need a Professional quality visual aid and use current technology**. Examples of a visual are: a video, power point presentation, and items used for your project

## **SATISFACTORY OR UNSATISFACTORY RATING**

A satisfactory rating is needed (a combined score of the oral and written parts). The project **MUST** include both an oral and a written part. You must make certain that all three parts to your project are submitted to the Main Office **NO LATER THAN ONE WEEK BEFORE THE JUNIOR PROM**. Those parts are as follows:

- 1.) Proposal and Application: Approved by the Graduation Project Advisor
- 2.) Time Log signed by your Homeroom Teacher and the adult verifying hours
- 3.) Reflective Report signed by the Homeroom Teacher

\*\*\*Failure to address these responsibilities may lead to your project being rejected.

**RATING SCALE:** To obtain a satisfactory (passing) rating you must earn a satisfactory rating on ten out of the thirteen expectations found on the rubric (see pages 8 & 9). As well as completing all four parts of your written project.
